

INTERAGENCY ACE San Diego 2017 AVIATION TRAINING

Purpose:

This ACE Event is an opportunity for DOI & USFS employees and partners to complete the majority of their position specific aviation training courses. Aviation training is required by policy : [DOI OPM-04](#) & [FS 5725.06](#). Other courses are required and can be completed online, or via interactive distance learning.

Positions:

Combined with on-line and interactive distance learning, the ACE provides coursework for the following aviation positions: helicopter manager, aviation manager, aviation dispatcher, fixed-wing flight manager—special use, pilot, among others.

Position specific training courses are on pages 2-3.

Example Schedules:

Example schedules are shown on this page for those individuals who wish to maximize their training.
