For additional information regarding upcoming OAS Training Events please visit the [IAT website](#).

IAT Website Projects

- In Process - Courses in Development - Demo Courses online being reviewed and tested
 - Ongoing - A-212 Course (Formerly A-207)
 - Ongoing - A-109 Course (Newest Demo version uploaded to IAT for testing)
 - Ongoing - M-3 Course
 - On Hold - Development of process to move students and their training plans from one org to another when requested by a Bureau. Currently this process can only be done manually by the administrator. The new process will allow the help desk to assist Bureaus with re-organization and cleanup of units
 - In Process - ([RFC-20-02](#)) Change IAT system to notify all students via email on a regular basis about upcoming training due.
 - Ongoing - Organization's setup to test email notifications, USGS, BLM, NPS, BSEE, FHP and OAS.
 - Ongoing - Development of reports for UATAs and AVMs showing summary of email messages sent.
 - Ongoing - Data cleanups
 - Ongoing - Cleanup of old incomplete Course Rosters.
 - Ongoing - **18** Duplicate profile merges
 - Ongoing - Rejected email addresses, profile is reviewed, bad email removed, or profile is disabled if no longer in use.
 - Ongoing - Update all fs.fed.us email addresses to usda.gov
 - Completed - Instructor Resource Page Updates
 - Updated Course Materials page to for A-103, A-203 and A-204 to let Instructors know these courses are no longer offered as Instructor Led and are available online only.
 - Completed - [A-103 Temporary Flight Restrictions & Advisory Notices to Airmen \(NOTAMs\)](#) revised version now available online.
 - Completed - [A-203 Basic Airspace](#) revised version now available online.
 - Completed - [A-204 Manned Aircraft Capabilities and Limitations](#) revised version now available online.
