IAT Website Projects

- In Process - Courses in Development – Demo Courses online being reviewed and tested
 - Ongoing - Demo A-110 Course (Newest version uploaded to IAT for testing)
 - Ongoing - SEAT Courses (Newest versions uploaded to IAT for testing)
 - Ongoing - MH Courses (Newest versions uploaded to IAT for testing)
- Completed - Project to update Instructor Qualification system within IAT
 - In Process - DOI A-200 Instructor authorization attachments.
 - Completed - New [IAT Instructor Website Guide](#) - Email notice sent to IAT Instructors and links placed on IAT Site.
- Ongoing - Data cleanups
 - Ongoing - Duplicate profile merges
 - Ongoing - Rejected email addresses, profile is reviewed, bad email removed, or profile is disabled if no longer in use.
 - Ongoing - Update all fs.fed.us email addresses to usda.gov

- Ongoing - Apostrophes in email addresses - corrections have been made will continue to monitor.
- Completed - NPS HEAC & HEAM Task Book Equivalence - Task Books were not required in some NPS regions for All-hazard/Resource Helicopter Crewmember (HEAC) and All-hazard/Resource Helicopter Manager (HEAM) prior to 2015. Added to [Library page](#) and Instructions added for the UATAs who will need to approve documents uploaded by students via the External Equivalencies page.
- Completed - Students who belong to multiple units now have the ability to be assigned training plans from each unit. Example: Primary Unit is a USFS Unit, Alternate Unit is a DOI BLM Unit, student can be assigned USFS Supervisor Training Plan and DOI Supervisor Training Plan.
- Completed - Previously if a student did not have a Home Unit shown in their profile, they would receive an error upon viewing their compliance tab. Now they will receive a friendlier message letting them know they must have a Home Unit in order to use the Compliance page.
