For additional information regarding upcoming OAS Training Events please visit the IAT website www.IAT.gov

IAT Website

Recently Completed:

- ACE Denver Registration Opened
- OAS Aviation Training Specialists - Areas of Responsibility Page Updated - USFS Updates
Currently Available Webinar Courses Page now lists when a webinar will open for registration and students can no longer register prior to that registration opening date.
- The Find Classes page now contains the new Sponsor field so students can search for classes being presented by their Bureau/Agency/Organization.
- Alphabetical sorting corrected around the site, drop down lists, checkbox lists like the training plans listed in the user profiles.
Special_Topic courses hidden from view of Instructors creating classes.
- Special_Topic courses no longer show in the catalog or are clickable from event agendas.
- Courses now have a flag to hide them from the catalog or other areas of the website, for example the Special_Topics course used for meetings or other event agenda items that are not used to give credit for attendance.
- 2018 Consolidated Dispatch Applications Training (CDAT) Registration Opened
- National Pilot Ground School Registration Closed

In the Works:

- Preparation for release of External Equivalency Upload Feature
 - o Schedule UATA Webinar Training
 - o Student & UATA Step by Step Process for External Equivalency Upload Page - Completed/In Review
 - o Student External Equivalency Upload FAQ Page - Completed/In Review
 - o External Equivalency Quick Reference Document - Completed/In Review
 - o External Equivalency Timeline Page - Contains all old IAT Guides - Completed/In Review
- Online Courses - Currently only Flash & Video are available for Online Courses. Captivate, HTML5, or other formats need to be made available - Planning
- Customer Support Requests - Revamp of the way users submit requests for assistance on the website.
 - o Users will be able to choose from a set of categories for their submission.
 - o Users will receive an email letting them know the request was submitted.
 - o Admins can more accurately track what has been received, what categories ie Password Resets, Inactive Account, Class Registration Problems.
 - o Admins can more accurately track what Bureau/Agency/Organization submitted requests for assistance.

On-Hold:

- Duplicate User Merge- New system does not have this function and requires manual data entry in the tables of the database. Rebuild started.
- Facilities management - Presently unable to add new locations/addresses when creating courses or events. Page build initiated to manage and clean up facilities.

IAT Helpdesk User Assistance:

Jan - December 2017 – 2,078 users helped

December 2017 – 80 users helped
