Recently Completed:

- Users are now prompted upon login to update missing information in their profiles, such as:
 - Recovery E-Mail
 - Phone Number
 - Unit
- All users with “No Unit” as their Unit were cleared to allow them to be prompted during login to update their Unit.
- All users who have previously chose the highest level of an org for their Unit, i.e., BLM, NPS, Forest Service, DOI, were cleared to allow them to be prompted during login to update their Unit.
- Various non-DOI, non-USFS units were cleaned up and users who belong in them placed in those Units such as NRCS, FAA, etc.
- Once a duplicate profile has been merged into an active profile and deactivated, it is tagged within the system so it does not display to the admin when searching for a user profiles.
- Correction made to Fleet Pilot Ground Schools as there was incorrect info being displayed in the compliance pages for the DOI Pilot training plan.
- Updates on the Policy page.
- Updates on the Handbooks page.
- OAS-105 Interagency Aviation Training (IAT) Instructor Evaluation and Certification form updated.
- Video Library page code cleaned up and updated.
- FY 2017 A-200 Mishap Review made available for Students to complete.
- Updates made to the Contact page and Support page.

In the Works:

- Password Reset Requests - Reworking this process, will hopefully decrease the number of help desk requests we currently receive.
- Online Courses - Currently only Flash & Video are available for Online Courses. Captivate, HTML5, or other formats need to be made available.
 - A-200 Video Choices will be included in this re-work of how online classes are presented.
 - All A-200 videos inventoried, proto-type of filterable and searchable video list created and tested.

On-Hold:

- Duplicate User Merge- New system does not have this function and requires manual data entry in the tables of the database. Rebuild started. - Hundreds of Profiles have been merged as we test this new process. - Completed/Testing - On Hold
- Facilities management - Presently unable to add new locations/addresses when creating courses or events. Page build initiated to manage and clean up facilities. - On Hold
