Recently Completed:

- Help items added to the Contact IAT Support page and Help page about successfully getting a password reset message sent, inactive accounts and a highlighted message about how to reset testing if you fail a test.
- Corrections on the Contact IAT Support form that were causing submissions to not be sent to the admin when a user typed their email address incorrectly.
- Email from the Contact IAT Support form changed to include information about staff hours of availability.
- Help items added to the profile sign up page to assist users who receive the duplicate profile message and to highlight the importance of not creating duplicate profiles.
- Inactive Profile page reformatted and helpful text added for users who have common names and could be using the wrong username.
- Account Locked page reformatted and helpful text added for users who have tried to login too many times.
- Updates to the News, Policy and Training Events pages.
- Added A-220 & ACE Surveys to the Home page.

- Cleaned up Aircraft Identification Library page to correct all broken links and broken style links. Note: This page will need to be removed when we can longer utilize Flash.

In the Works:

- Password Reset Requests - Reworking this process, will hopefully decrease the number of help desk requests we currently receive.
- Online Courses - Currently only Flash & Video are available for Online Courses. Captivate, HTML5, or other formats need to be made available.
 - A-200 Video Choices will be included in this re-work of how online classes are presented.
 - All A-200 videos inventoried, proto-type of filterable and searchable video list created and tested.
- Tested incorporating search.gov into site, successfully setup but will need to hold until other projects complete and site files are cleaned.

On-Hold:

- Duplicate User Merge- New system does not have this function and requires manual data entry in the tables of the database. Rebuild started. - Hundreds of Profiles have been merged as we test this new process. - Completed/Testing - On Hold
- Facilities management - Presently unable to add new locations/addresses when creating courses or events. Page build initiated to manage and clean up facilities. - On Hold
