For additional information regarding upcoming OAS Training Events please visit the IAT website www.IAT.gov

IAT Website Improvements

Recently Completed:

- Students are now able to choose their own training plan in their profile.
- Completion Date on Class Rosters now populates with the End Date of the Class.
- Multiple documents can now be attached to a course.
- Documents that are attached to a Course are now visible to Instructors when creating a class.
- Administrators now have more options for assisting students with password resets, they can send to the student's primary e-mail address, all e-mail addresses in a student's profile, or they can send the student a temporary auto generated password.
- Administrators can now "Assume" a User's profile so they can see what they see when in a particular role, for example if a User has the Instructor role, the Admin can now see that role from the Instructor's perspective.
- National Pilot Ground School Event - Registration Opened

In the Works:

- Preparation for release of External Equivalency Upload Feature
 - o Student & UATA Step by Step Process for External Equivalency Upload Page - Completed/In Review
 - o Student External Equivalency Upload FAQ Page - Completed/In Review
 - o External Equivalency Quick Reference Document - Completed/In Review
 - o External Equivalency Timeline Page - Contains all old IAT Guides - Completed/In Review
- Add "Default Training Plan" to all new users and any users who do not currently have a plan assigned. - Planning
- Add Sponsor Bureau Field on Class Offering page - Was lost on transfer from old system to new - Planning
- On-Line Courses - Currently only Flash & Video are available for On-Line Courses. Captivate, HTML5, or other formats need to be made available - Planning

On-Hold:

- Duplicate User Merge- New system does not have this function and requires manual data entry in the tables of the database. Rebuild started.
- Facilities management - Presently unable to add new locations/addresses when creating courses or events. Page build initiated to manage and clean up facilities.

IAT Helpdesk User Assistance:

Jan - August 2017 - 1,741 users helped

August 2017 - 105 users helped
